

Grippability!

▶ ProChoice Black Panther Gloves

SAFE AS.

We think we invented a word...grippability... but it describes the Black Panther glove from ProChoice perfectly.

This glove allows maximum grip and abrasion resistance in a lightweight, breathable glove.

The liner is made from 13 gauge, machine knit nylon which means it breathes and is comfortable to wear, while the gripping surface is latex dipped for resistance to abrasion yet gives excellent grippability.

For robust work such as construction, stonework, gardening, sheet metal and general handling, the Black Panther glove will prevent slipping and damage to hands.

ProChoice Black Panther Glove

Features and Benefits

Fit and Comfort	100% nylon, 13 gauge, machine-knit liner ensures long term, good fit, comfort and breathability.
Durability	Latex-dipped palm for extra grip and abrasion resistance when used in challenging work environments.
Versatility	The versatility of the Black Panther gives it great application where grip and palm protection are needed such as brick, glass, timber and metal handling.
Sizes	Available in sizes 7 - 11 Packs of 12 pairs and cartons of 120 pairs.

Industry Applications

There are many industries where Black Panther Gloves would be a welcome asset:

- Construction
- Sheetmetal work
- Warehousing
- Glass handling
- Gardening
- Brickwork
- General purpose handling
- Metal handling

Complementary ProChoice Safety Products include:

Vented Hard Hat

- Lightweight, colour range of vented hard hats
- Available in white, yellow, red, blue, green, orange & fluoro yellow
- 6 point ProLock harness
- Air vents and cotton sweatband prevents perspiration build-up

Cobra Earmuffs

- Class 5, SLC₈₀ 28dB
- Hearing protection for noise levels to 110dB(A)
- Convenient fold-away construction
- High quality ear cushions
- Inner foam and headband cushions provide comfort during extended wear

Respirator P2 with Valve

- P2 rating for protection against mechanically & thermally generated particles
- Exhalation ProValve for extra air flow
- Colour coded nose-piece
- Latex free dual straps give firm & comfortable fit

Mercury Smoke Specs

- Medium impact, anti-scratch, anti-fog lens
- Lightweight and durable polycarbonate frame
- Ribbed "SMART FIT" adjustable nose bridge for a customized fit
- 99.9% UV protection for outdoor wear

Glove Clip Keeper

- Never miss place your gloves again with this convenient glove clip
