SS25 - Sunscreen 2.5L Bottle

## FEATURES AND BENEFITS

SPF 30+	Provides broad spectrum protection from the Australian sun's harsh UVA and UVB rays.
Water Resistant 3 hours	Perfect for onsite use as well as weekend recreational activities.
Contains Vitamin E	Contains Vitamin E to moisturise and condition the skin. Non greasy, suitable for all skin types and PABA free.
Availability	The Range of ProBloc sunscreen is available in a number of convenient size packs from 125ml to our new 2.5L pump bottle.

## SUN PROTECTION

Australia has one of the highest rates of skin cancer in the world. According to SunSmart, at least two in three Australians will be diagnosed with skin cancer by the age of 70.

The best way to avoid sun damage is to avoid the sun where possible, cover up and where necessary and use a SPF 30+ sunscreen, such as our ProBloc range which is available in many convenient size packs for whatever work place you find yourself in.
